Having a Technical Birthday Party building Rockets!

## **GLOBAL LEADER IN CHILDRENS COMPUTER CLASSES LAUNCHES SERIES OF ROBOTICS AND TECHNOLOGY Programs**

.....  
Lumberton, New Jersey (October 7, 2006) – Imagine children working together to build water rockets from empty plastic soda bottles.

That's but only part of the technology challenge that Debra Moorer's COMPUTERTOTS/COMPUTER EXPLORERS® program is offering families in the Camden, Burlington, Cumberland, Salem and Gloucester counties area.

Connor Mills celebrated his 10<sup>th</sup> birthday in style! He had fun building and launching water rockets!
